PROFESSIONAL SUMMARY

PHP Developer with 2+ years of professional experience in developing and maintaining dynamic web applications using PHP, MySQL, JavaScript, jQuery, AJAX, HTML, CSS, and Bootstrap. Experienced in CRM and business management applications, customer and product management modules, quotation and billing systems, invoice generation, authentication, CRUD operations, data import/export, API integration, and dynamic web functionalities. Skilled in SQL query optimization, debugging, testing, and collaborating with development teams to deliver reliable web solutions.

SKILLS & PROFICIENCIES

- PHP | MySQL
- JavaScript | jQuery | AJAX
- HTML | CSS | Bootstrap
- CRUD | API Integration | Import/Export
- Git | SQL Query Optimization
- Laravel — Basic / Familiarity.

EXPERIENCE

Techsysd IT Solution

Software & PHP Developer | August 2024 – September 2026

- Developed and maintained dynamic web applications using **PHP**, **MySQL**, **JavaScript**, **jQuery**, **AJAX**, **HTML**, **CSS**, and **Bootstrap**.
- Worked on **CRM** and business management applications involving customer, product, **quotation**, **billing**, and **invoice modules**.
- Implemented **CRUD functionality** for **customer**, **brand**, **category**, **sub-category**, **product**, and other **business modules**.
- Developed and maintained data **Import/Export functionality** for business modules.
- Implemented **dynamic UI** functionality using **JavaScript**, **jQuery**, and **AJAX**.
- Developed **quotation** creation, **billing**, **invoice generation**, and print-related functionality
- Worked on **authentication**, **validation**, **search/filtering**, and other application-level functionalities.
- Optimized **SQL queries** and resolved **application-level issues** to **improve performance** and reliability.
- Collaborated with team members to maintain and enhance multiple web applications.

Trainee Software Developer | Apr 2024 – July 2024

- Gained hands-on experience in **PHP**, **MySQL**, **HTML**, **CSS**, **JavaScript**, and debugging **web applications.**

- Assisted in building small-scale web modules and performing **manual testing.**

PROJECT

PHP | MySQL | JavaScript | jQuery | AJAX

- Login & Signup Pages for Web.
- CRM & Business Management System
- Event Ticketing & Management System
- Business & Service Management Web Applications
- Authentication & CRUD-based Web Applications

ABOUT PROJECTS

CRM & Quotation Management System

Developed and maintained a CRM and business management web application using PHP, MySQL, JavaScript, jQuery, AJAX, HTML, CSS, and Bootstrap.

- Implemented CRUD operations for customer, brand, category, sub-category, and product management.
- Developed quotation creation and management modules based on customer and product details.
- Built billing and invoice generation functionality with print support.
- Implemented data Import/Export functionality for business data.
- Worked with APIs for application integration and data exchange.
- Developed dynamic AJAX-based functionality for improved user interaction.
- Created a responsive admin dashboard with collapsible navigation and role-based access.
- Optimized database queries and resolved application-level issues to improve performance and reliability.

EDUCATION

Board of Secondary Education Rajasthan (RBSE)

- Completed 10th in 2019 with **74.33%.**
- Completed 12th in 2021 with **88.40%** (**PCM**).

University Of Kota (UOK)

- Completed Graduation from Govt. Birla College, Bhawani Mandi, affiliated with the University of Kota in 2024.

RELEVANT EXPERIENCE

Technical Training (Code-Better & IT Stack Solutions)

- C | C++ | HTML | CSS | Bootstrap | JavaScript

LANGUAGE

- **Hindi** – Native | **English** – Professional Working Proficiency
